

## **Award-Winning Private Dermatology Practice seeks to add Board Certified Physician**

### **The Practice**

Albemarle Dermatology Associates is a well-established, award-winning private practice serving Charlottesville, VA and the surrounding area for 20 years. The Practice offers medical, surgical, and cosmetic skincare and treatments in an impressive location with convenient access and parking. From our Dermatologists to our support staff we value building strong, lasting relationships with patients. We are committed to providing the highest quality care and service.

A division of Albemarle Dermatology Associates, Signature Medical Spa offers exceptional expertise, technology, and results-oriented services in 11 beautiful treatment rooms. The division is the region's premier source for innovative and technologically advanced cosmetic dermatology.

Albemarle Dermatology Associates and Signature Medical Spa comprise three Board Certified Dermatologists, a Nurse Practitioner, two Cosmetic Nurse Providers, and six Aestheticians. Each high-level and mid-level provider is supported by two Medical Assistants. Additionally, the practice is supported by a superb clerical staff and leadership team.

Bonnie F. Straka, M.D. is the founder, owner, and medical director. Dr. Straka is also a practicing physician in both divisions.

### **The Opportunity**

We seek to add a fourth Board Certified Dermatologist to our organization. **Partnership track available.**

Unlimited, competitive compensation  
401(k) retirement plan  
Medical and dental benefits  
Generous vacation hours  
CME reimbursement  
Malpractice coverage

The ideal candidate has three or more years of medical, surgical, and cosmetic dermatology expertise. Ideally, the MD will practice four days (32 hours) per work week, with 40 - 50% of clinical hours devoted to cosmetic practice.

### **The Community**

Charlottesville, a small city at the foothills of the Blue Ridge Mountains, offers a relaxed yet sophisticated lifestyle. Enjoy a high quality of life, beautiful surroundings, excellent educational opportunities and access to some of the nation's best healthcare.
